I GIVE YOU MY HEART

Lorenzo Quinn a Venezia

La Galleria d'Arte Contini presenta a Venezia la mostra personale di Lorenzo Quinn, *I GIVE YOU MY HEART*, visitabile negli spazi della sede lagunare fino al 22 novembre 2026.

Dopo il successo dell'esposizione a Cortina d'Ampezzo nella stagione invernale, l'artista italo-americano torna protagonista con un nuovo progetto nel cuore di Venezia. L'esposizione riunisce una selezione di opere dedicate al valore dei legami umani, alla necessità di costruire ponti tra culture e alla responsabilità condivisa verso il pianeta. Sono presentate anche nuove sculture dedicate ai temi *"I GIVE YOU MY HEART"* e *"MY HEART IS YOURS"*, che traducono in forma plastica l'idea di dono, reciprocità e fiducia come fondamento di ogni relazione autentica. Attraverso un linguaggio immediatamente riconoscibile, fatto di mani che si intrecciano o si protendono verso l'altro, Quinn trasforma emozioni e principi etici in immagini potenti e universali. In sintonia con la Biennale Arte 2026, il percorso espositivo invita a riflettere sul legame tra individuo e collettività, suggerendo nella relazione con l'altro una possibile chiave per il futuro.

I GIVE YOU MY HEART

Lorenzo Quinn in Venice

The Contini Art Gallery presents Lorenzo Quinn's solo exhibition, "I GIVE YOU MY HEART", in Venice, on view at its Venice location through November 22, 2026. Following the success of his exhibition in Cortina d'Ampezzo this past winter, the Italian-American artist returns to the spotlight with a new project in the heart of Venice. The exhibition brings together a selection of works dedicated to the value of human connections, the need to build bridges between cultures, and our shared responsibility toward the planet. Also on display are new sculptures dedicated to the themes "I GIVE YOU MY HEART" and "MY HEART IS YOURS", which translate into

sculptural form the idea of gift-giving, reciprocity, and trust as the foundation of every authentic relationship. Through an immediately recognizable language - composed of hands that intertwine or reach out toward one another - Quinn transforms emotions and ethical principles into powerful, universal images. In harmony with the 2026 Venice Biennale, the exhibition invites visitors to reflect on the connection between the individual and the collective, suggesting that our relationships with one another hold a possible key to the future.
