

MAREPINETA RESORT IS HOME TO GREAT ART WITH CONTINI ART GALLERY

IGOR MITORAJ: SCOLPIRE L'ETERNITA'

*The Vernissage will take place on Saturday 18 May;
until 6 January 2025*

Milano Marittima (Ravenna), May 2024 – New appointment with art at **MarePineta Resort**, a five stars hotel, icon of style and elegance in Milano Marittima. “**Igor Mitoraj: Scolpire l’Eternità**”, organized in collaboration with **Contini Art Gallery and the Atelier Mitoraj** will open on Saturday 18 May.

A selection of bronze works will be hosted in the resort: Mitoraj, in fact, combines classical-ancient tradition with contemporaneity, with the creation of injured figures, headless bodies, and sleeping faces. The works of the Polish sculptor, characterized by smooth and interrupted lines, invite viewers to imagine the totality of the figure.

*“This new opportunity of great artistic value confirms once again the intent of MarePineta Resort to enhance the territory. – explains **Davide Salaroli, sole administrator of MarePineta Resort** – The intent to celebrate the 10th anniversary of Mitoraj's death is testimony to the attention to the arts at the international level. For us today, art and design are essential elements that demonstrate the commitment and investment in culture through the artistic forms of beauty.”*

*“We are pleased to continue the journey started last year with the Salaroli family and the Park Eun sculptures, – comment **Stefano and Riccarda Contini, owners of the Contini Art Gallery** – proposing this year the works of the great master Igor Mitoraj, in the sophisticated and refined design of the MarePineta Resort in Milano Marittima, where time and privacy blend with the surrounding centuries-old pine forest.*

Mitoraj's works invite us to experience a journey through the aesthetics of art history, from the recovery of the classical figurative canons that are interpreted by the artist and presented to the public in a personal and contemporary key.”

MarePineta Resort also confirms its collaboration with **San Patrignano** for the 2024 season. “*We are happy of the partnership with MarePineta Resort – explains the **President of the Agricultural Cooperative Roberto Bezzi** – which has been renewed for years, made stronger and stronger by the common founding principles based on friendship and community. We work together on projects in favor of the local territory and people. A path that leads us to continuous help towards those who need it most through projects that allow us to join forces to be more incisive”.*

The works will be exhibited at the MarePineta Resort until 6 January 2025.
